

BRINGO

ORIGINAL EDITION

BRINGO was born out of necessity (thanks COVID-19!) as a fun way to connect remotely with friends, family, colleagues, and even strangers in play! **BRINGO** is fun, easy, customizable, and self-isolation friendly! It's intended to be played via video call, on any platform that allows for the amount of people playing.

In the spirit of innovation and adaptability, it is encouraged to **take this game and make it your own**. Don't like the rules? *Change 'em!* Want to do make a Star Wars Edition? *May the Forage be with You!* A music edition where you fetch only vinyls from your shelf? *Rock n' Roll!* Whether you **follow, break, or make the rules**, take pics and tag **#bringo** on social media!

How To Win?

What If There is a Tie?
